Dear Parents/Guardians

At Wickersley School and Sports College, we aim to send every child into the wider world able and qualified to play their full part in it. The able and qualified aspect has never been more important than now, and through the Wickersley Way, we will continue to promote the skills and attributes our children need to develop their independence, responsibility and resilience to have a happy, healthy and successful life.

The Pastoral Team plays a big part in supporting the students and families of our school. Should you need to contact the pastoral team please use the email address below, your queries will be responded to within two working days.
